DR. SIDDHESWARAN V  
Restorative Dentist & Micro-Endodontist

Dr. Siddheswaran V, a distinguished restorative dentist and micro-endodontist, has 15 years of teaching experience and clinical expertise. He has served as a lecturer at KLE Dental College, a reader at Rajiv Gandhi Dental College, and a professor at the College of Dental Sciences, Davanagere. His contributions to the field include numerous publications in national and international journals, along with a copyright and two on-going patents in pre-clinical and clinical endodontics. As a speaker, he has delivered lectures at various state and national specialty forums and regularly conducts hands-on restorative and endodontic workshops across India through Coltene Upgrade Dentistry. Committed to both professional excellence and personal well-being, he is also a dedicated Heartfulness meditation practitioner and trainer.
